THE CV LINK CONNECTING THE COACHELLA VALLEY

The CV Link is a 50-mile paved pathway—for pedestrians, bicyclists, and low-speed electric vehicles (including golf carts)—that connects the Coachella Valley along a route that largely parallels Highway 111.

SIGNALS 101

STAY OUT OF BLIND SPOTS

Be careful in the bike lane. Keep slightly ahead of any vehicle so the driver can see you, or ride a bit behind so you can stop if the driver makes a sudden right turn.

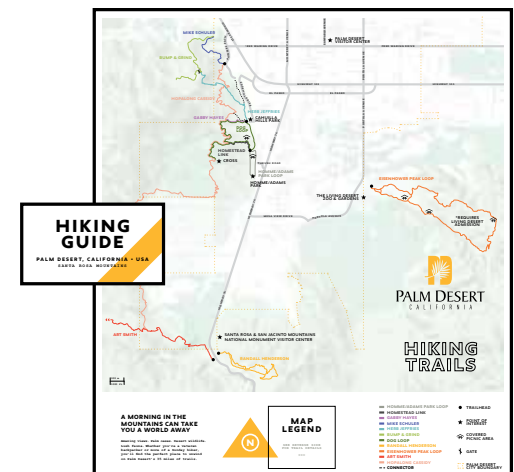

ADJUST YOUR SEAT FOR A SMOOTHER RIDE

1. Hop on your bike and place one heel on the pedal.
2. Pedal backwards until your pedal is in the six o'clock position.
3. If your leg is straight, you're good to go. If not, raise the seat and try again.

BREAK A SWEAT IN THE MOUNTAINS

Go offroad and uphill on nearly thirty miles of trails. Just grab a copy of our HIKING GUIDE for recommendations and directions.
